

## **2020 November – Majhigaun progress report - 18 houses project**

### **Leave no family behind - Supporting vulnerable families to rebuild new homes!**

*Out of 88 earthquake affected families in Majhigaun nearly half have now rebuilt new, safe homes! The poorest families are the ones struggling the most to rebuild and they are still living in small, unhealthy temporary shelters. With your support we are now helping another 18 vulnerable, earthquake affected families build new, safe homes in the poor village Majhigaun in Nepal!*

# **13 Houses Completed** *for poor families*
